The student must have completed more than one-half of the coursework at an acceptable level at the time of the request for an "Incomplete." The student and the instructor of record must agree upon a plan for the completion of the work within a time period not to exceed one calendar year. If the work has not been completed and the instructor of record has not removed the incomplete grade and recorded a grade on the student's permanent record within that time period, the "IN" will revert to an F.
